

THE KADER CONNECT

Week beginning: 06/09/21

Welcome to the Kader connect, Kader's weekly round up! Here we will be sharing insight into what is going on here at Kader across all year groups and celebrating our lovely children!

Thought for the weekend
**START AS WE MEAN
TO GO ON!**

Mr Laverick's keep fit task..

Can you make up a 'new start' dance?
Choose a positive piece of music and make a few movements to last 30 seconds!

A Poem to PONDER...

New Beginnings

A new chapter or phase is starting in your life.

Remember life is an adventure

To explore whilst you have fun.

This is going to be great.

It's time to live your life.

It's time for change

Go for it!

A message from Mrs Mitchinson

A new start

It has been lovely to see the children back at school, happy and settled. As always my time on the gate has been wonderful and it has been extra special to see so many family members back and mask free (so I can see all of the smiles!) I had a lovely morning working with the year 5 children, learning all about Egypt. Back to Business at Kader!

PE

Reminder- PE kits must follow school policy – white top and black bottoms and earrings must be removed before school.

Nursery

Can you believe that some of our Nursery children have started to come to school for 30 hours? Guess what... they are smashing it! We couldn't be any prouder of our Nursery children this week. They are amazing and have been so grown up and engaged! Keep it up!

Reception

Big school! A new start ... What a wonderful week! We have been busy getting back into school routines and learning new things! The children have been brilliant. This is always a big step for the children and their families but we couldn't be happier. Well done Reception.

Year 3

This week we had two very curious visitors from prehistoric times! We investigated what Stone Age people used to eat by becoming archaeologists searching for clues. Luckily for us our visitors left Stone Age poo behind which we used to see if our predictions were true!

Year 4

Year 4 spent their first week learning all about the Romans. They made their own silver and gold coins with a personalised imprint. Year 4 also made home-made wreaths and looked the part of emperor as soon as they put them on!

Year 2

Year 2 had a fabulous day in Hartlepool at the Historic Quay, aboard HM Trincomalee. We took part in a cutlass class and investigated life on board ship. Not many of us wanted to be a sailor in the olden days!

Year 5

What a busy week we have had! We have spent the week getting to know your lovely children and introducing them to our new topic 'Pharaohs'. This week we have been archaeologists, detectives, designers, artists, cleaners, story-writers and mathematicians!

Year 6

What a fantastic start to Year 6! We have experienced what it would have been like for a Victorian child to attend school; I think the children would agree there are lots of differences!

Mrs Donalds - What made me smile!

A new start and a new beginning. Children smiling, laughing, learning, playing, running and having fun! My favourite kind of week. Such a wonderful atmosphere in school. Thank you children.
