

THE KADER CONNECT

Welcome to the Kader connect, Kader's weekly round up! Here we will be sharing insight into what is going on here at Kader across all year groups and celebrating our lovely children!

Week beginning: 20 / 09 / 21

Thought for the weekend

It's better to do something imperfectly than to do nothing perfectly.
Robert H. Schuller

Mr Lavenick's keep fit task..

Keeping it in the spirit of cross country – how long can you run without stopping? (with an adult of course)

A Poem to Ponder...

Believe IN YOURSELF
YOU ARE smarter than YOU KNOW
you are SO UNIQUE AND Special
AND IT'S TIME YOU LET IT SHOW
THERE ARE Billions OF PEOPLE
IN THE World,
BUT just one amazing you -
If YOU Believe The SKY'S the Limit
THERE'S nothing YOU can't DO!

A message from Mrs Mitchinson

The love of reading

Now if this photo of one of our very youngest members of the Kader family doesn't make you smile I Don't know what will! To see Nursery children so engrossed in reading and acting the story out during play, really does encapsulate our whole school reading ethos. Reading is the key!

I hope all of our parents are spending time reading with their children, it really is priceless.

Nursery

This week we have been thinking all about friendships, we experimented with primary colours and rubbed our hands together to see what colour we made as friends!

Reception

The start of our writing journey and what a smile! We are loving building words with our familiar sounds. Well done Reception!

Year 3

In Science this week we have been learning all about light and reflection! We began our enquiry by testing a range of materials to see which would reflect light. Such fun!

Year 4

As part of their Roman topic, Year 4 looked at statues of powerful gladiators and emperors. Their task was to strike a similar powerful pose in preparation for making their own sculptures next week.

Year 2

We had a very special visitor in Year 2 this week – Captain Cook's great, great, great, great grandson! He answered some of our questions and made us giggle with his stories of the famous explorer from Middlesbrough!

Year 5

We loved making our Egyptian masks. Using lots of art and design techniques we have strengthened our art skills whilst thinking historically! A double win!

Year 6

We have had a super busy week this week completing our first Year 6 PiXL tests! We have also begun our first piece of writing which relates to our whole class Victorian reading text: The Raven, by Edgar Allan Poe

Mrs Donalds - What made me smile!

We can run!!

I was so happy with the amazing cross country team who demonstrated the true Kader spirit and ran their hearts out! 7 finalists! WOW!
