Principal: Mrs A Mitchinson

Dear Parents

Parking

Thank you to the majority of parents who park considerately and arrive in sufficient time to walk.

However, when I receive an email like this it makes me cross and embarrassed.

"I hope this email finds you well. I am writing to you today as a member of the local area as I am experiencing difficulties with parents who attend your school. This is now the third occasion where a parent/carer has parked across my driveway making it impossible or very difficult for me to park. I work in a school myself and know home time can be a rush, but there is enough parking available on Staindrop and local streets so driveways can be kept clear. I understand completely that control over parents once they leave the school is limited and even more so where parking is considered however, I would very much appreciate it if you could mention this to parents. I look forward to hearing from you and thank you in advance."

In addition, another resident last night spoke to Mrs Donald saying, "It's a good job I don't need to leave my home". He then showed a photograph of the inconsiderate parking across his drive. Could I please ask you to refer to the highway code if you are at all unsure as to the rules of the road. Please have a social conscience. Would you like this happening to you on a daily basis?

Also, on another note please cease and desist from allowing your child to disembark from your moving vehicle whilst your car is not parked up. I will be contacting the traffic wardens yet again.

I was also disappointed to learn that there has been some verbal abuse toward the Crossing Patrol guard. Please remember that your children are watching and learning from the examples that you are setting.

Apologies for my rant to those parents who always do the right thing and are keeping all of our families safe.

Yours Sincerely

Mrs A. Mitchinson
Principal
