

THE KADER CONNECT

Week beginning: 18/10/21

Welcome to the Kader connect, Kader's weekly round up! Here we will be sharing insight into what is going on here at Kader across all year groups and celebrating our lovely children!

Thought for the weekend
BELIEVE IN YOURSELF ... ALWAYS! !

Mr Laverick's keep fit task..

We were pipped at the post in tag rugby this week! Gutted, but proud too!

Get your steps up this half term and get out for an autumn walk!

Year 1

We have been working so hard this half term, developing all of the skills we need to take us flying into the KS1 curriculum. We have literally worked our socks off. It was a lovely way to celebrate and have some fun at our Halloween party!

Year 4

Year 4 learnt about the structure of the Roman Army. We used the hall to show how a Roman army was divided into legions, cohorts, centuries and contuberniums (a group of 8 soldiers). We also learnt some new facts about Roman soldiers (their equipment and way of life).

Year 5

We have had another wonderful week in year 5! We have been mastering long multiplication, solving two step word problems and learning all about Ancient Egyptian Gods and Goddesses. The children really enjoyed the Halloween party on Thursday and their costumes were AMAZING!

A Poem to Ponder...

Pumpkin Time

Pumpkin time is here again,
Time to play Trick or Treat.
Pumpkin time is here again,
Our spooky friends we'll meet.

See the costumes we have on,
Monsters, ghosts, goblins too,
See the costumes we have on,
Hear us all shout "Boo!"

A message from Mrs Mitchinson

What a half term!

All of the children have worked their socks off this half term (staff too!) It has been lovely to get some old routines back into place- The mixed dining hall and whole school assemblies have been fantastic! I have the best job in the world!

Stay safe and have Autumn fun!

I would like to see all of my children back, refreshed and in one piece after this week break. Enjoy Halloween and try to get out and about in the fresh air- get REALLY MUDDY AND JUMP IN PUDDLES !

Nursery

Nursery were lucky to meet real life fire men today! They talked to the children about fire safety and even let some children have a little go on the hose! It was so much fun.

Reception

Learning to write sometimes look like this! Look at this spooky, hand strengthening activity! If Reception keep being fine motor hero's like this, they will be writing in no time!

Year 2

Like all years this half term has been full of hard work! We loved relaxing and dancing at the halloween disco! Thanks student council for organising such an enjoyable event.

Year 3

We have been working so hard on our arithmetic and addition skills this week and it was brilliant to see us all using our fabulous maths resources to make maths more visual.

Year 6

We have blown everyone away with our superb Oliver twist writing this week. The level of maturity and the wonderful vocabulary we used, really set the scene and created such an atmosphere. We will be writing novels before you know it!

Mrs Donalds - What made me smile!

It was lovely to have an in school celebration and seeing the children so happy and excited to celebrate Halloween. The smiles around school were glowing! Thank you school council for your wonderful organisation.
