

# THE KADER CONNECT

Week beginning: 7/3/22

**Thought for the weekend**  
"A positive mindset brings positive things"

## Mr Lavenick's keep fit task..

Practice balancing a tennis ball on a tennis racket. How long can you keep it balanced without dropping it? Can you move around while trying to keep it balanced?

## Year 1

This week, Year 1 did their first ever formal assessment. We are so proud how mature and sensible they were throughout! Everyone did so well under test conditions for the first time. We explained that as long as they try their best that is all that matters. This test will inform our future lessons and show us where the children are working at.

## Year 4

This week Year 4 heard the legend of how Thor regained his hammer! The children were amused by the idea of Thor dressing up as a bride in order to trick Thrym the Frost Giant and enjoyed dramatising it in small groups. We're aiming to write our own versions of the legend by next week, inspired by the exquisite writing of Kevin Crossley-Holland.

## Year 5

Another busy week in Year 5! The children in Mrs Stockwell's class have been busy learning all about how to stay safe on their bikes. They have had a wonderful time learning how to ride safely on the road. We have been in full swing with our 'Off by Heart' poem and the children have recited 'The Witches Song' from Macbeth absolutely beautifully – we hope you enjoy watching it on Seesaw! On Wednesday, the children took part in a reading adventure day. They were split into teams and had to work together to solve clues based around different books to eventually escape the Wicked Witch and her castle. Everybody joined in, got involved and had a fabulous time – well done Year 5!

## A Poem to Ponder...

### Positivity

Positivity is not that hard to see  
All you have to do is to find that  
Inner happiness and positivity  
For all to see as you move life  
Begins to take a whole new look  
As you start to see the positive  
In everything and everyone  
We can share a little joy and positivity  
To the people around us the world  
Would be a more positive place to be

## A message from Mrs Mitchinson

It was so lovely to see how much the children enjoyed the Reading Adventure Day. Seeing them engaged with the activities really brought a smile to my face.

## Nursery

Our story of the week was 'A Squash and a Squeeze'. The children have been learning all about things in life they are grateful for and contributed towards making our own Grateful Nursery hearts!

As part of the story includes different farm animals, the children created their own masks using lots of glue and materials!

## Reception

Reception have had a lovely week. We really enjoyed the 'Reading Adventure Day'.

## Year 3

Year 3 have had a very busy week. We particularly enjoyed reading with the Year 6 children. We loved sharing our stories!

## Year 2

Year 2 had a fabulous time during the Reading Adventure Day! We had to solve clues to defeat the dragon which had appeared at school. It was so exciting!

## Year 6

Lots going on this week but a lovely little highlight was Y3 coming to visit us to share some of their lovely reading.

## Mrs Donalds - What made me smile!

I have been so proud to see our fantastic student council getting involved with raising money for the people of Ukraine. What kind and caring children new have here at Kader.

Keep your eyes peeled for the up and coming fundraising next week!
