

The Kader Connect

Week beginning: 06/05/22

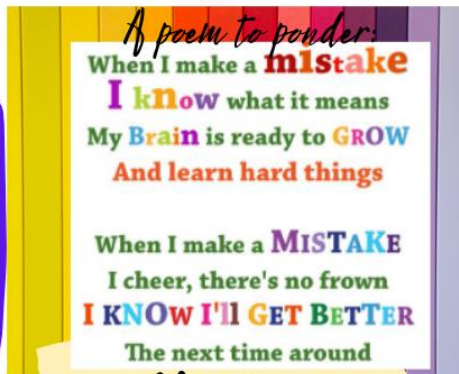

Thought for the weekend:

Year 6 - Next week is yours!

MR LAVERICK'S KEEP FIT TASK:

Kick up challenge... how many kick ups can you do?

A message from Mrs Mitchinson:

I just want to say to all of my Year 2 and Year 6 children just how very proud of you I am. Just like the poem states- SATS don't measure everything! You have all worked so hard and overcome so much - Try your best and that is all I can ask. You are amazing!

Nursery:

Our story of the week was 'Bug Hunt'. This week has been very fun and 'hands on' as the children went on their own bug hunt around the school field! We tried to think of different places the bugs may be hiding, from dark, damp places to under the ground. Using lots of different bug catching devices, the children managed to find various minibeasts!

Year 4:

We are times tables rockstars in Year 4 and did you know some of us are even beating our teachers with speed! Yes we are amazing and we are proud too! Keep it up Year 4!

Year 1:

We have been learning all about time. Our teachers drew a huge clock on the playground and we explored it practically, it was so much fun!

Rec:

This week we learnt all about Eid. Mrs Yaseer made us some delicious Eid food and we explored some beautiful traditional clothing,

Year 2:

Children in Year 2 started their SATs this week and their teachers are so proud of their effort! Nothing phases them! Keep it up Year 2!

Year 5:

This week the children have been continuing with their forest school activities. The children have been den building in the rain, making mandala artwork in the sunshine and playing a game called 'Spiders Web' which allowed them to understand how different parts of the environment are connected.

Year 6:

SATs don't measure sports
SATs don't measure art,
SATs don't measure music,
Or the kindness in your heart.

SATs don't see your beauty,
SATs don't know your worth,
SATs don't see the reasons,
You were put upon this earth.

SATs don't see your magic,
How you make others smile,
SATs don't time how quickly,
You can run a mile.

SATs don't hear your laughter,
Or see you've come this far,
SATs are just a tiny glimpse,
Of who you really are.

So sitting at your table,
With a pencil and your test,
Remember SATs aren't who you are,
Remember **you're the best!**

Mrs Donald - What made me smile!

A wonderful week in school, from times table rock stars to forest school investigators, it's been busy but fun! It's SATS season in Year 2 and Year 6, just remember how amazing you are ... you are prepared and you can do it! Believe in yourself ALWAYS!

Year 3:

Our focus this week has been on sharing our love of reading around the school! We have read so many different stories and texts and even discovered new ones by sharing our most loved books with children in Year 5.
